Accredited Advanced Diploma in Coaching with Neuroscience

Academic Excellence

The Advanced Diploma in Coaching with Neuroscience is an online part-time course for those wishing to become top level practicing coach and learn best practice coaching skills in order to improve their personal and professional effectiveness. The PSG Diploma is quality mark of excellence in coaching

The course leads to the WACN WIN-Pro accreditation and CPD membership

1)The Advanced Diploma in Coaching with Neuroscience - a Global professional qualification which allows successful graduates to practice as a coach and provides eligibility to become a member of professional coaching organisations such as the World Association of Coaching with Neuroscience (WACN), the Association for Coaching (AC) and the International Coaching Federation (ICF)*

2)On successful completion you will have the opportunity to become a member of the accredited CPD programme for Quality Coaching (QCC). This will enable you to attend extra online teleclasses, webinars and master classes to stay at the top of your game.

Course Duration

The course consists of 8 weekend modules spread over 7 or 8 months. In addition there is external work including assignments, reading course books, giving and receiving coaching (peer, professional and pro bono), journaling, book and media reviews and study group meetings.

Course Fees

We aim to make our courses accessible and flexible for everyone and regularly offer discounts for early registrations. Please check our website or contact us for the latest discounts and special offers.

We also offer a flexible payment plan – interest free and spread out over the duration of your course. Instalments can also start before the course if you want to spread the cost over a longer period.

Course Work and Evaluation

We understand that our students need to balance studying with other responsibilities in their lives. In order to support this we spread the course work assignments and submissions across the duration of the course. Evaluations happen as an ongoing process and include practical observations, project work, written assignments, recommended reading, research and coaching logs.

Class sessions are 10am to 3pm (weekends). External course work would typically be 20 hours per month. You must attend a minimum 90% of all classes and fulfill all course work requirements achieving a minimum total score of 75% to obtain a qualification.

Entry Requirements

This course has no formal qualification entry requirements. We appreciate and acknowledge that the best experience you can bring to coaching is your own real life experience. You will be expected to be competent in reading, writing and understanding English to a reasonable level.

We speak with each prospective student to ensure you know what is expected of you and that choosing this course is right for you and your needs.

Course Values and Support

We believe that the best learning happens when there is a support system in place so we put high value on study groups and sharing of knowledge. We offer closed learning groups to ensure your success. We provide regular network and support events at no extra cost for all our past graduates
